

HERE IS A BRIEF OVERVIEW OF THE MOST IMPORTANT SECTIONS OF A TRAVEL ENGLISH COURSE:

Staying in a hotel

These days it seems hard to find a hotel where none of the personnel speak English. Find out how to choose the best hotel, what kind of rooms are on offer and how to make your stay enjoyable and easy when you know English.

Air travel

Do you want to be on time for your flight, have no worries about your luggage and always know the current information about your flight? If so, you will definitely find the "Air Travel" unit of our course useful.

Coach and train travel

All the details of railway stations and bus stations in a big city can be an overwhelming experience for anyone who does not speak English. Using the language can help you not only to find the right connection but also the right platform or bay. Thanks to our course you can also get to know new people on your journey.

Going to a restaurant

Choosing a restaurant, reserving a table, recommending dishes – with a Travel English course it is quite simple. Feel at home talking with the waiter and paying for your meal.

Visiting places of interest

A great deal of places worth visiting may not have guides in your first language. Thanks to our course, you can be sure you won't miss any important information. In addition, finding the way to your choice of attraction is easy.

Emergencies

Have you ever found yourself in a situation where you need to contact the police or emergency services in a hurry? Thanks to the Travel English course, you can quickly get help on such occasions.
